

as a co-introducer. But the Chair is going to rule that his request that was granted for which there no particular complaints at that particular time and no objections that then this lists him as a full co-introducer of that and if Senator Chambers is objecting to the withdrawal and if you have asked for the motion to withdraw those bills and it does not carry his approval, then the Chair is going to rule that the motion is out of order at this particular time, and I so do, and I have done with Senator Syas' and I am going to do the same thing with Senator Savages motion and then whatever the body cares to do with it from that point, but that is the way the Chair rules it at this time. Senator Savage for what purpose do you rise?

SENATOR SAVAGE: Mr. President, I would like to ask Senator Chambers a question.

PRESIDENT: Senator Chambers will you yield to a question?

SENATOR SAVAGE: How many bills have you introduced so far this session?

SENATOR CHAMBERS: I have introduced on my own about three.

SENATOR SAVAGE: Well you are within your limit of ten then, is that right?

SENATOR CHAMBERS: Yes, let me be sure. I am well within my limit and I would have covered those tracks before I laid the trail.

PRESIDENT: Senator Syas.

SENATOR SYAS: You have ruled, and you didn't give me that ruling on LB900, so I am going to come back with 900 in a few minutes.

PRESIDENT: The Chair recognizes that.

SENATOR SYAS: No just a minute, you have ruled that he is a full introducer and that....

PRESIDENT: Co-introducer, right.

SENATOR SYAS: And that consent must be had by him in order to make this motion, is that right?

PRESIDENT: Correct sir.

SENATOR SYAS: I question the ruling of the Chair.

PRESIDENT: All right.

SENATOR SYAS: That is the way to settle that. Now any person that wants a bill withdrawn would have to vote which way?

PRESIDENT: Anybody that wants the bill withdrawn...I'm going to ask the question and there has been...and I want to clarify something regarding this in a moment, because you questioned the ruling of the Chair the motion is going to be....

SENATOR SYAS: That is all I could do.
